RE: INATEK LLC – INATEK Atrazine Technical (EPA Reg. No. 94143-1)
Notification of Minor Label Revision per PRN 98-10

Dear Ms. Schmid,

On behalf of INATEK LLC, please find the enclosed label notification revising the label to add a grass icon and update the company address for INATEK Atrazine Technical (EPA Reg. No. 94143-1).

In support of this submission, I enclose the following documents:

1. Application for Pesticide Registration (EPA Form 8570-1)
2. One (1) copy of the INATEK Atrazine Technical with changes tracked
3. One (1) copy of the INATEK Atrazine Technical label with changes incorporated
4. Letter of Authorization

Please feel free to contact me at 253-853-7369 or Brien@PyxisRC.com if you should have any questions or need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Brien O'Loughlin".

Brien O'Loughlin

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Wear long-sleeved shirt and long pants, shoes plus socks, and waterproof gloves. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Only for formulation into an herbicide for the following uses: corn (field, pop, sweet), sorghum, chemical fallow, CRP acres, sugarcane, macadamia nuts, guava, turfgrass (fairways, lawns, sod production), roadsides, and conifers.

This product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s). This product may not be reformulated or repackaged into another product unless the registration of the reformulated or repackaged product was either granted or amended after March 15, 2004, so as to be consistent with the terms and conditions set forth in the Atrazine January 31, 2003 Interim Reregistration Eligibility Document (IRED). ANY USE OF THIS PRODUCT IN AN AREA WHERE USE IS PROHIBITED IS A VIOLATION OF FEDERAL LAW. Before using the product, you must consult the Atrazine Watershed Information Center (AWIC) to determine whether the use of this product is prohibited in your watershed. AWIC can be accessed through www.atrazinewatershed.info or 1-866-365-3014. If use of this product is prohibited in your watershed, you may return this product to your point of purchase or contact INATEK, LLC for a refund. No product containing 4% or less atrazine ingredient may be formulated or repackaged from this product unless the registration of the resulting product includes the following terms and conditions: i) cease all distribution and sale to any retailer or entity distributing or selling such product to any retailer located within all countries containing any portion of the Watershed Area listed in the AWIC; ii) ensure the removal of such atrazine product from the shelves of any retailer located within all counties containing any portion of any Watershed Area listed in the AWIC, iii) repurchase any such atrazine product from any of the purchasers described above. In addition, such Registrant shall consult with the State(s) in which such counties are located to determine whether additional territory shall be included in the area which these requirements apply. If the State(s) determine that a larger area is warranted, the Registrant shall within 10 days of such determination notify the Director of EPA's Special Review and reregistration Division (SRRD) (7508C), Office of Pesticide Programs, of the specific boundaries within the stop sale, removal, and repurchase shall take place.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a dry place.

PESTICIDE DISPOSAL: Waste resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Nonrefillable Lined Fiber Sacks including Flexible Intermediate Bulk Containers (FIBC): Nonrefillable container. Do not reuse or refill this container. Completely empty fiber sack liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application or manufacturing equipment. Then offer for recycling if available or dispose of empty fiber sack and liner in a sanitary landfill, or by incineration. Do not burn, unless allowed by state and local ordinances.

WARRANTY—CONDITIONS OF SALE

Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes referred to in the "DIRECTIONS FOR USE". Manufacturer makes no other warranties, expressed or implied, including fitness or merchantability. To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale and is accepted as such by the Buyer.
